Clerk accepts legal papers by fax

The Macomb County clerk's office is now accepting lawsuits and other legal documents by fax. The county Board of Commissioners approved the program Thursday. Faxes will cost \$2 no matter how many pages, along with standard fees for various filings. Clerk Carmella Sabaugh said a cover sheet is needed to fax documents. To obtain the cover sheet, use the 24-hour, toll-free, fax-on-demand system by phoning (888) 992-5375 and request document 5205,
